

BELMONT
TRAILERS™

ETX - TILT DECK
Low Profile Equipment Trailers

ENGINEERED FOR STRENGTH AND SIMPLICITY

The ETX Series offers the ultimate in loading convenience with a gravity tilt deck featuring a hydraulic cushion cylinder and a 12-degree load angle. Eliminating the need for ramps, the ETX streamlines loading and unloading while maintaining Belmont's signature low deck height. Available in deck lengths from 16' to 24' (including stationary front deck configurations) and GVWR ratings up to 20K, the ETX is engineered for operators who prioritize speed, simplicity, and efficiency on the jobsite.
