

ENGINEERED FOR EASE AND EFFICIENCY

For those who need seamless loading and unloading, FlatTrak Trailers by Belmont Trailers provide a superior drop-deck design that improves safety and efficiency. FlatTrak Car Hauler is specifically designed with a greater width between the fenders, aluminum plank decking for less weight, and a front rock guard. Designed with advanced engineering, cutting-edge features, and real-world testing, these trailers make transporting equipment, materials, and vehicles easier, smoother and safer than ever.
